“Alluring Delight”

A Striking Work of Art

Rather than painting an actual landscape, artist Amy Everhart creates a moment in nature—a moment that is filled with the emotion evoked by the power, the serenity, the fortitude, or even by the suffering of the life that clings tenaciously to the majestic mountainsides. She is more than a chronicler of the moment. She participates in the conversation, and each painting subtly bears her joys, sorrows, frustrations, and triumphs within the interplay of light, shadow, color, and energy. So as you are pulled into each moment she paints, you share in her passion for art and life.

“My Little Chickadee”

Art Admirer's Delight

A whimsical original, *My Little Chickadee* will liven up any space! This acrylic on ampersand board is presented in a black wall-mount frame. Artist Willamarie Huelskamp's inspirations come from the heart. It would be easy to edit out all that is meaningful by judging an inspiration as too sentimental, too complicated, or just crazy. Wrestling with her inner angels and demons, she struggles to create a personal visual language.

The subjects of her work derive from a vivid imagination and a feminine perspective.

“An Early Blessing”

A Young Artist's Masterpiece

As a prematurely born 2.5lb baby, Jaina Belle was supposed to be blind, deaf, unable to walk, and have many other health and cognitive problems. Thirteen years later, she is living a great and healthy life with minimal drawbacks. This was possible because of faith, prayers, a great medical staff and her family being close every day thanks, she says, to The Ronald McDonald House.

This painting represents Jaina Belle's journey of life. Jaina Belle follows in the artist footsteps of her grandfather Justin I. Young, who has received international acclaim for his art and has made philanthropy a part of his art career. Support for Ronald McDonald House is a family affair; you can find Justin's Bronze Ram Sculpture at item #35.

GRAND GIVERS

Who are Grand Givers?

Individuals who make gifts of \$1,000 or greater during our Helping Hands portion of the night automatically become part of our Grand Giver program. Those who give \$1,500 or more are invited to our exclusive Grand Giver Appreciation Dinner in October. Could this be you?

The Cornerstones of Love

Grand Givers are our “Cornerstones of Love”—an extraordinary group of people who form the foundation of our work. They ensure that we meet the day-to-day needs of thousands of guest families, and that our foundation is firm enough to support our growth. Because of our Grand Givers, we can provide vital resources, comfort, and care to the people who need it most: families with seriously ill or injured children.

Become a Grand Giver

Whether you've been a dedicated Grand Giver for years, or you're joining us for the first time, please know that you make a tremendous difference for our organization!

AUCTION**

LIVE AUCTION RULES

1. To enter a bid, a bidder must raise bidder number to attract the attention of the auctioneer. This must be repeated each time you initiate or increase a bid. Each bid legally obligates bidder to pay the price in full if their bid is deemed highest at The Auctioneer's "SOLD" call. Make bids quickly at this fast-paced event!
2. You may use the services of bid spotters to attract the auctioneer's attention. Notifying a bid spotter of your intention to bid does not constitute a bid until the auctioneer recognizes that bid. Be aggressive and make sure the auctioneer acknowledges your bid lest you lose your desired item!
3. The higher bidder will be acknowledged by the auctioneer. If the auctioneer determines an opening bid or any subsequent bid is not commensurate with the value of the items being offered, he may reject the same and withdraw items from auction. Having acknowledged an opening bid, the auctioneer may reject an insufficient advance. A minimum bid may be required if a reserve has been set.
4. At the "SOLD" call from the Auctioneer, title to the item and/or services will pass to the highest bidder, who, thereupon, assumes full responsibility thereof.

IMPORTANT NOTE:

Please note and respect the conditions and qualifications that may exist on certain items. Most items have a specified expiration date.

Air transportation and lodging are limited to availability and varying restrictions. Early arrangements are strongly advised. Unless otherwise noted, all trips must be used within one year of purchase (by 2026).

Lost, Damaged, or Stolen Items: Hotel Certificates, Event Tickets, and Gift Cards cannot be replaced if lost, damaged, or stolen.

Neither RMHC nor the donor of the trip or package is liable for postponed or canceled events due to weather or other unforeseen circumstances, including (but not limited to) natural disasters (e.g., fire, flood, earthquake, hurricane), labor troubles/strike, war, terrorism, riot, power outages, actions of government authorities, etc. Travel accommodations for rain checks or postponed events are at the responsibility of the traveler.
