Intermountain Area

Double your impact with EMPLOYEE GIVING FUND & MATCHING GIFTS

Why implement employee giving match?

Enhanced Employee Engagement & Job Satisfaction

When companies support charitable giving, employees feel valued and connected to a larger purpose. They experience a greater sense of fulfillment and better job satisfaction, helping employers with employee retention.

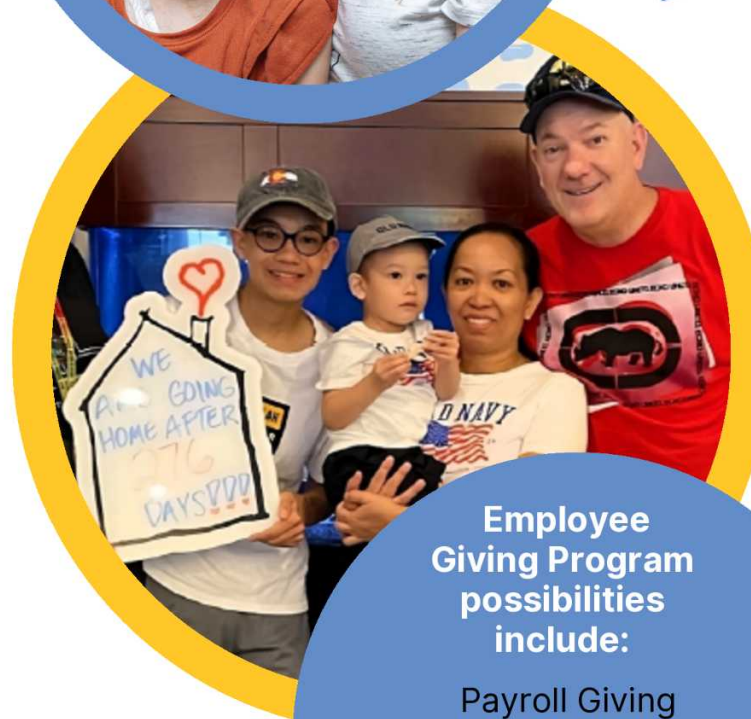

Stronger Company Culture & Reputation

A structured giving program reinforces corporate social responsibility values by building a positive brand image and strengthening relationships with the community.

Tax Benefits & Financial Incentives

Many employee giving programs qualify for tax deductions, reducing the company's taxable income.

**Employee
Giving Program
possibilities
include:**

- Payroll Giving
- Matching Gifts
- Volunteer Grants
- Time Off for Volunteering

Why Give to Ronald McDonald House?

To Support Families with Seriously Ill or Injured Children

Our work is driven by the simple idea that nothing else should matter when a family is focused on the health of their child. Ronald McDonald House provides a comforting, supportive, and healing space for families in the Intermountain area, easing many day-to-day burdens so parents can focus on the most important thing—the well-being of their seriously ill or injured child.

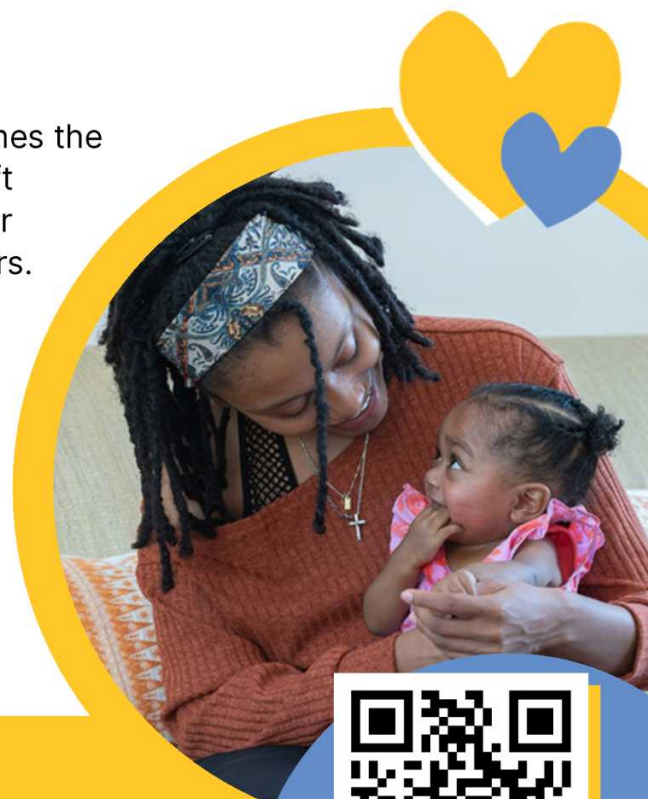

To Inspire Others To Give

Your donation could have twice—or even three times the impact, through employer-sponsored matching gift programs. Visit our website to see if your employer matches charitable contributions or volunteer hours.

To Make a Real and Immediate Impact

Your gift to RMHC helps provide FREE medical lodging, meal services, transportation, and family-centered care to pediatric patient families when they need it the most!
